

MOBILE FUME EXTRACTION SYSTEM FEX-PRO

Portable, simple to install and quiet in operation.

The most effective way to capture harmful welding fumes is by extracting them at the source with a fume extraction welding torch & system.

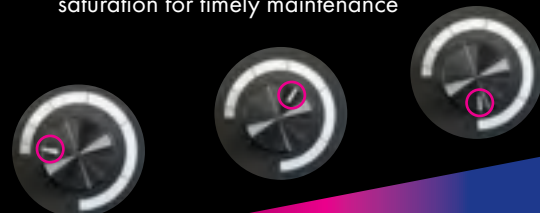

The FEX-PRO is an economical choice with excellent build quality and functionality.

As standard, the FEX-PRO is equipped with removeable dust tray and a pre-cleaning filter to lower maintenance requirements for users.

It also features a brushless motor for low maintenance.

Features and benefits :

- Auto sensing dual voltage (110 or 230V)
- Continuous rated brushless motor
- Equipped with a cleanable primary filter
- Adjustable extraction/flow rate
- Service LED and audio alarm signal filter saturation for timely maintenance

Min. Max.
(7062 cfm)

System Type	Filter Efficiency

FEX-PRO MOBILE FUME EXTRACTION SYSTEM

Technical Data :

Voltage :
110 - 230V
50/60 Hz

Dimensions :
22.5" x 12" x 20.7"

Max. Air Flow :
117 CFM

Device Weight :
44 LBS

Motor Power :
1.1kW

Noise Level :
< 60 dB (A)

Connection Diameter :
1.96 in (50mm)

Max. Vacuum :
23,000 Pa

✓ Cleanable Filter

✗ Permanent Air Line Required

✓ Brushless Motor

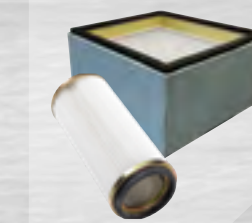

✓ Adjustable Airflow

FEX-PRO Accessories:

Included Extraction hose with connectors

Included
1 x Primary Filter
1 x Secondary Filter

Optional
Automatic start-stop lead

Operating Instructions

- Exclusively from ABICOR BINZEL
- Auto sensing dual voltage (110 or 230V)
- Continuous rated brushless motor
- Cleanable primary filter
- Adjustable extraction/flow rate
